Church of the Redeemer (Episcopal)—Services on the 3d and 5th Sabbath of every month at 10½ A. M. and 5 P. M. Sabbath School 9 A. M. Rev. S. Mellichamp, Rector.

Methodist Church—Services at 10½ A. M. and 8 P. M. Sabbath School at 8½ A. M.—Rev. F. Auld, pastor.

Lutheran Church—Sabbath School at 9 A. M. P. A. Dantzer, Superintendent.

TOWN DIRECTORY.

Mayor—F. H. W. Briggmann.
Clerk—E. J. Oliveros.
Treasurer—Wm. Willcock.
Aldermen—E. J. Oliveros, Wm. Willcock, Geo. Boliver, A. Martin.

Rev. A. G. Hough will conduct divine service at the Presbyterian Church, on Friday evening, 3d inst., at 8 o'clock.

SALES-DAY.—There was a very slim attendance of the farming portion of our citizens in town on Monday. There were no sales of any note, save that of two or three tracts of land, sold by the Sheriff.

THANKS.—We acknowledge the receipt of a handsome club of subscribers from the hands of our fellow-citizen, Mr. J. P. Pearson. Also, we are indebted to E. M. Carrol, Esq., of Branchville, for a nice club.

As the time for the regular monthly parade of the Elliott Hook and Ladder Company falls on the 4th inst., the usual parade will not be celebrated. The meeting of the Company will take place Thursday evening at 8 o'clock.

A PREMIUM.—To the person sending us the largest watermelon from the 4th of July to the 31st of August, we will give one year's subscription to the *Times*. To the person sending us the heaviest and largest peach, during the season, we will give three months subscription to the *Times*.

We would call particular attention to the change made in the card of Capt. Haskin, in this issue. An error was made, last week, in stating the prices of the machines, which has been rectified, and our readers may see how low those prices are, by referring to the advertisement.

DELEGATES.—Col. A. D. Frederick and Capt. Jas. Izlar will leave for the Baltimore Convention, about the 6th inst. These gentlemen are well known throughout the State; and we think the convention did well in choosing them to represent South Carolina, in the Baltimore Convention.

MALE ACADEMY.—This school was closed on Friday last, the 28th, for the usual two months summer vacation and will be resumed (D. V.) on Monday, the 2nd day of September next. Mr. Heyward is very much gratified at the encouragement which he has received at the hands of the good people of Orangeburg. Not quite a year ago he started his school with two pupils, and at one time had twenty-one scholars.

From a private conversation had with mayor Briggmann, we learn that his principal reason for voting against the passage of the proposed "hog law," was that he considered the financial condition of the town to be in no condition to warrant the authorities in paying the expenses of a scavenger cart, to keep the streets in proper condition; which, in his opinion, will be necessary during the summer months.

As a warning to our unmarried friends we publish the following touching epitaph, copied from a tombstone in Burlington:

Beneath this stone our baby lays,
He neither cries nor hollers;
He lived just one and twenty days,
And cost us forty dollars."

CRUMBS.—The Young America Fire Company celebrated its regular monthly parade yesterday afternoon.

—Rev. F. Auld will commence a series of meetings at the Methodist church, on next Sabbath evening.

—The enterprising firm of W. M. Sain & Co. are constructing two commodious buildings for their full trade in stock.

—Judge T. C. Andrews has returned from his visit to Charleston.

—Dr. Dukes' Soda Fountain was brought into useful service by "ye thirsty mortals," on Monday last.

—Mr. A. B. Knowlton leaves for Wisconsin, this week.

—Orangeburg Division, No. 24, Sons of Temperance, will attend the celebration of Friendship Division, at Bamberg, to-morrow.

—As will be seen by the advertisement in another column, bids will be received till the 15th inst., for constructing the main building of the County Fair Grounds.

—The Messrs. Kohn present great inducements to our readers, this week. They are determined to decrease the size of their stock, and our readers will do well to heed the notice.

—The old and reliable law firm of Izlar & Dibble may still be found at the old stand on Russell Street.

—Our "devil" wants to know if the town council is going to "run over" the noxious weeds in our streets, or if they are going to let the weeds run over them.

—The first peaches of the season, that we have seen in this market, were from the farm of the young and enterprising planter, Mr. Jude Robinson. They were simply delicious.

—Monday was an excessively warm day.

—Candidates are electioneering with a "vim" in various portions of the County.

—Treasurer Greene leaves town to night, for a tour through the Northern and Western States.

—Orange Grange meets on the 10th instant.

34 WENTWORTH STREET.

CHARLESTON, S. C.

Can be consulted on the following diseases, and diseases of a kindred nature, free of charge and in strict confidence.
Charges moderate, and within the reach of all. Office hours from 9 a. m. to 7 p. m.

RHEUMATISM AND NEURALGIA.

In all arthritic complaints, as rheumatism, gout, neuralgia, etc., this practice is almost perfect. The most intense pains are almost instantly relieved—enormous swellings are reduced—limbs which have been contracted and stiff for years are relaxed. Cases of twenty, thirty and forty years' standing have been cured by me, after all other means have failed. A great accomplishment in my triumph over pain, by which I can often, in a few moments, soothe and carry off the most excruciating sufferings. If this system did nothing more than to relieve pain, it would stand superior to any other system extant.

CATARRH.

Stopped-up Head, Running of the Nose, constant hawking and spitting, constant Blowing of the Nose.

Thousands suffer from that most annoying disagreeable complaint—Catarrh, without knowing what it is.

Often the secreted mucus flowing down the throat clogs up the lungs and lays the foundation for consumption.

The most skillful physicians fail to cure it. I cure any case of obstruction—stopped-up head—discharges of greenish, thick, thin or glairy mucus from the nose, internal or external—pain or fullness between the eyes—constant blowing of the nose—inflammation of the nasal passages—ulceration of Schneiderian membrane, etc., in the course of a few days.

DEAFNESS.

Nervous Deafness, Noises in the Head, Otitis—Otitis (discharge from Ear),

Paralysis of Auditory Nerve.

I am daily treating all affections of the ear with the most gratifying results. Some who had paid aurists nearly \$1,000 without benefit, have been cured by me in a few weeks at moderate expense.

MERCURIAL DISEASES.

Mercury, injudiciously used, has filled the earth with wretches of humanity. Thousands suffer from its effects who have been unconsciously drugged by their physician. It is vain to attempt the cure of the majority of diseases while it remains in the body.

Although I have heard of several so-called antidotes for mercury in the human body, I have never yet seen a physician who could eliminate it from the system.

I can satisfy any patient or physician that I can absolutely extract mercury, lead, zinc, and other mineral poisons, in every case.

CANCERS.

Noli-ma-Tangere, Lupane, or Wolf Cancer, Scirrhus Cancer—Fungous Cancer, Rose Cancer—Spider Cancer.

I make a great specialty in the treatment of every description of cancer and tumors.

How many cancers and tumors are wrongfully treated by certain Charlatans styling themselves "Cancer Doctors."

After being pronounced incurable, I will take any one of these cases in hand, and make a permanent cure.

My terms for treating cancers, etc., will be based on the age and condition of the patient, and the positive certainty of cure.

COTTON STATES

LIFE

Insurance company.

PRINCIPAL OFFICE, MACON, GA.

The undersigned having been appointed State Agents for the above Company and established the office of the Company in Columbia, invite attention to one or two of the advantages offered to them who may desire to effect insurance on their lives in a safe Home Company;

The Board of Managers at a recent meeting, passed unanimously the following resolution:

"Resolved, That in view of the fact that there are unusually large sums paid for Life Insurance, to the Companies of the North and East, which sums being there invested, contribute to the enrichment of those sections, whilst our own South is greatly in need of cash capital to prosecute successfully our Agricultural and Mechanical enterprises; it is ordered, that for the purpose of retaining these sums in our midst, hereafter a certain proportion of the net cash receipts from premiums, amounting to not more than 70 per cent. of the same be invested in such manner as may be in accordance with the regulations of the Company, in those sections from which the said premiums are attained."

(Signed) WM. B. JOHNSTON,

President.

GEORGE S. OBEAR, Sec'y.

The Financial strength of the Company places it in high rank. Its last Annual Statement shows that the Company possesses, besides its large Guarantee, \$170 for every \$100 of its liability.
